## PRIVATE DRILLING

The water in Mykonos is a very important issue of hygiene and all daily necessities. This Complex has achieved to find and drill the most crystal clear water coming directly from the sources located underneath our private mountain, allowing the guests to enjoy clear water in their showers and in their kitchen.

A photograph of a modern, multi-story villa at night. The villa features large glass windows and doors, some of which are illuminated from within, showing a warm interior. The exterior is lit with blue and white lights. In the foreground, there is a large wooden deck with several lounge chairs. A swimming pool is visible in the middle ground, reflecting the lights. The background shows a dark blue sky and the ocean with some distant lights. The overall atmosphere is serene and luxurious.
